## **Touching hearts using Storytelling: Make students Act !**

### **OBJECTIVE:**

This project was elaborated by 10Th grade students In Reading and Writing class.

Give your students the opportunity to talk about stories to create awareness in the public by doing campaigns to promote values. Such as solidarity and generosity towards others, using apps and web pages like Wix, Youtube, Animoto, Canva, Gloster, etc.

### **DEVELOPMENT:**

1. Do a research about a social subject.
2. Write an essay
3. Design expositive and persuasive poster on Canva
4. Create a video using Animoto
5. Make an Imovie using Storytelling that touches people´s heart
6. Design a website using Wix and Glogster

### **Final Project:**

Website using Wix and Glogster with different texts: informative, persuasive and Storytelling.
